Chris Carter and Cosey Fanni Tutti have delivered three exclusive new videos as Carter-Tutti for the [Brainwaves Festival](#) this November. This is the first confirmable arrival of a number of exclusive videos and world premiers to be expected at the festival this year. Stay tuned for more!

Brainwashed.com celebrates 10 years with 'Brainwaves,' a three day music festival in Boston. On November 17/18/19, friends and family of Brainwashed will be performing at the Regent Theatre. The current lineup includes Non, Thighpaulsandra, Christoph Heemann and Andreas Martin, Volcano the Bear, DJ Steven Stapleton and Colin Potter (of Nurse With Wound), Irr.App.(Ext.), Jessica Bailiff, Windy & Carl, V/Vm and the Caretaker, Goodiepal, Troum, Aranos, Edward Ka-Spel and the Silverman, Keith Fullerton Whitman, Landing, Howard Stelzer, Charles Atlas, Cock ESP, Nadja (Aidan Baker), Greg Davis, z'ev, and the Dresden Dolls.

There is still planning for some major surprise guests as well as music video and film screenings in the planning. Additionally, RRRecords in Lowell will be presenting a Rare Records fare. Only 500 tickets will be available. Travel tips, hotel specials, and more details can be found at www.brainwashed.com/10. Brainwaves is being graciously sponsored by RRRecords, Free Internet Press, Crouton Music, Kranky, Jnana Records, ArchEnemy, and WZBC.
