

Brainwashed - Brainwaves Videos Have Arrived

Written by Jon Whitney

Sunday, 22 April 2007 03:34 -

On the morning of Friday, April 20th, 47 videotapes of the [Brainwaves fest](#) arrived at Brainwashed Central. These, along with five videotapes of offstage captures, are being reviewed and edited right now. There's a lofty goal of producing 10 DVDs containing all performances but this will take some time. In the meanwhile, clips have begun to trickle in to the

[Brainwashed Video](#)

, however,

[Podcast](#)

only iTunes users can view the videos.
