

Brainwashed - Pan Sonic

Written by Jon Whitney

Saturday, 09 September 2006 16:00 - Last Updated Tuesday, 18 June 2013 08:10

This is an extra special treat, to feature Pan Sonic live and an interview with Mika Vainio. Mika talked with us about the evolution of the group, the most recent release—the massive four-CD *Kesto*, collaborations, and the current release, *Katodivaihe*, released early 2007. Look for brief clips of music videos too.

Thanks to everybody at Non Event and Mute for helping make this fantastic feature happen.
