

Brainwashed - Glenn Jones

Written by Jon Whitney

Sunday, 25 March 2007 03:28 - Last Updated Thursday, 20 June 2013 07:27

Glenn Jones is probably known more for his guitar work in Cul de Sac but his second album, *Against Which the Sea Continually Beats*, out now on Strange Attractors Audio House, is gaining a great share of critical acclaim. Here he talks about partial capos, work with Jack Rose, recording in Martha's Vineyard, and plays us some great songs on two different guitars and a banjo. Recorded at WZBC studios March 19, 2007.
