

Brainwashed - Valet

Written by Jon Whitney

Sunday, 13 April 2008 09:20 - Last Updated Tuesday, 18 June 2013 08:06

Honey Owens has played in Nudge, Jackie-O Mother Fucker, and a number of other groups in San Francisco and Portland but alone, she records and performs as Valet. This segment was shot in February 2008 on tour with Atlas Sound (note Bradford in the back on the drums). Her second Kranky release, *Naked Acid*, is out now.
