

Daniel McKernan is a New York based artist, musician, filmmaker and curator. His debut EP as PROTECTION was recently released on limited 10" vinyl from his new label, [Formlessness Press](#). His

interactive video installations in NY galleries include

The Magick H8-Ball

starring Sophia Lamar and

Is Evolution Evil?

starring Amanda Lepore

and featuring an original drone score by Thighpaulsandra, which has since been release through Brainwashed Records handmade series as "The Lepore Extrusion" (HAND003).

He has

performed with Coil in NYC for their only US performance and

worked on the live video projections for Cyclobe at the majority of their live dates including Antony's Meltdown in London, CTM Festival in Berlin, and Unsound Festival in Krakow.

He has curated and created experimental short films which have exhibited at Museum of Modern Art (New York), the Brooklyn Academy of Music, La Mama Galleria (New York), the Andy Warhol Museum (Pittsburgh), the Yerba Buena Center for the Arts (San Francisco), the Horse Hospital (London), and many others. His artwork, interviews and editorials have been featured in

The Wire, V Magazine, VMAN, PLAYGIRL, Flavorpill, K48

and

THE FUN

published by the Museum of Art & Design

.
