I hope that all You and all Yours are all well and swell—all don't let all the BloodiedBedBugs BITE! Stay safe and spaced.

A quick update following on from the postponement of the C93 NYC Channellings at the Warsaw in Brooklyn.

As I said in my last message, I and C93 are so sorry and so saddened by this, but it was Out Of Our Hands. We will now be Channelling there in March XXX 2021. Tickets for April 2020 will be valued for March 2021. The remaining tickets are available [here](#) .
