

Brainwashed - Simeon Coxe, 1938-2020

Written by Jon Whitney

Tuesday, 08 September 2020 22:59 - Last Updated Saturday, 12 September 2020 08:56

We are saddened to learn of the passing of Silver Apples founder, Simeon Coxe. Not only was the music Simeon created back in the 1960s with Silver Apples influential beyond measure, he was an amazing gentleman and wonderful soul.

In 2008, Simeon played Brainwaves as Silver Apples to the only standing ovation during the weekend. [Click here to see some photos by Greg Cristman](#) . He will be missed.
