The BBC has reported that [Karlheinz Stockhausen has died](#) in Kuerten, western Germany, on Wednesday. While he was known as a composer, innovator, and irritator of many things, below is a picture as he was inducted as an honorary member of

[Coil](#)

, photographed in 2000 at Sonar in Barcelona. When John Balance introduced himself to Karlheinz, his reaction was "Balance, all my life's work in composition has always been about 'balance.'"
