Brainwashed is not a for-profit service so flooding the website with visually intensive blinking ads does not fit our mission.

However, we do need money to cover operating expenses and other things.

We proudly provide timely content, intelligent reviews, and a readership who is highly discriminatory.

We do accept sponsors and can provide competitive rates to fit your budget.

Please [contact us](#) for more information about how to get your information online with us.

Sincerely,

The Brainwashed Staff
