

Brainwashed - Kirk's Biochemical Dread

Written by Staff

Saturday, 07 December 2002 19:00 -

According to a recently published and poorly proofread article in PlayLouder, Richard H. Kirk's got a new alias, Biochemical Dread, for his next album. In the article, Kirk's optimism is once again about as far away as his former Cab Volt partner, Stephen Mallidner. You can read more at <http://playlouder.com/feature/1146richardhkirk/>.
