

Brainwashed - DJ Steven Stapleton & Little Annie at Brainwaves

Written by Staff

Sunday, 14 September 2008 12:25 - Last Updated Sunday, 14 September 2008 12:32

Sadly for Paul Wallfisch, [Little Annie](#) 's pianist, his band won't be able to tour Europe. Their loss is our gain as Little Annie is back on the program at [Brain waves](#)

! Additionally, we've decided to ask Steven Stapleton of [Nurse With Wound](#)

back to Brainwaves - this time we'll do it right and have him DJ between sets all weekend long instead of an isolated set.

[Tickets are on sale now](#)
