The latest DVD of *The Eye* is available now. This is the first in hopefully a series of a few new DVDs to become available in the next couple months. On

**17** **Volume** are the

video features from

[A Place To Bury Strangers](#)

,  
[Valet](#)

,  
[White Rainbow](#)

, and, coincidentally

[17 Pygmies](#)

. It's available now in

[Brainwashed Commerce](#)

.
