We're thrilled to roll out the latest DVD fundraiser. **The Eye Volume 18** features our popular segments with [Jesu](#),

[Meat Beat Manifesto](#)

,
[Pan Sonic](#)

, and

. All who graciously allowed us to both capture them live and sit down and talk shop, and have now allowed us to use some of this footage to help Brainwashed raise funds! The DVDs can be purchased in the

[Brainwashed Commerce shop](#)

and like all other Eye DVDs come personalized for the buyer. Thanks for your support!
