You can now follow brainwashed on Soundcloud at [soundcloud .com/brainwashedcom](https://soundcloud.com/brainwashedcom) .

Songs from old

[Brainwashed Recordings](#)

have been added so far but this will hopefully expand in the future to feature a variety of other stuff from various acts and perhaps exclusives or other oddities. The account is linked up to the

[myspace](#)

and

[twitter](#)

accounts for

Brainwashed

.com so those who follow us in those places will also see when new songs are posted.
