It was announced this morning that Kate Bush will release *Aerial*, her first new album in 12 years on November 7th. In an

[interview with](#)

[The Wire](#)

, John Balance of

[Coil](#)

admits to believing Kate Bush was stealing his ideas, as he'd write something down only to have them appear months later on a Kate Bush album!

For more information and details for the forthcoming double album release and preceding single, see [KateBushNews.com](#).
