If there's one thing Brainwashed contributors agree on about ADULT. is that they disagree on ADULT. While Jon Whitney gave a negative review to the debut, Jonathan Dean enjoyed it, who then gave a negative review to the new EP, which Jon Whitney loved. This week, the members of ADULT., Adam and Nicole, explain how they're more happy when people actually take a strong opinion of their music: love it or hate it, so long as people aren't rewriting press releases or other lazy reviewer tactics.
