You know Bruce Cawdron from Godspeed You Black Emperor! and Set Fire to Flames, you might know Beckie Foon from Silver Mt. Zion, and you should know Harris Newman, formerly of Sackville, with two solo albums on Strange Attractors we at brainwashed have given high marks. Esmerine is a core duo of Beckie and Bruce, while Harris joins them frequently for live shows. Both entities played at the Zeitgeist Gallery in Cambridge and did an amazing set consisting of cello, guitar, drums, bass, and both malleted and bowed marimbas.
