

Brainwashed - Nurse With Wound, "Trippin' Musik"

Written by United Dirter

Friday, 15 November 2019 19:04 -

"Steven Stapleton;s iconoclastic Nurse With Wound project now enters its fifth decade, marked with this lavish boxed set of all-new music titled *Trippin' Musik*. Consisting of three vinyls in dayglo orange, yellow and green, the collection comes with no tracklisting and no indication of what order in which the listener ought to listen to it."

-via Norman Records

Tentatively out November 29th on [United Dirter](#) .
