

Brainwashed - Patrick Shiroishi, "Descension"

Written by Thin Wrist

Saturday, 21 March 2020 08:25 -

A harrowing layered work of solo saxophone and electronics, *Descension* is at once beautifully elegiac and unflinchingly primal. Patrick Shiroishi is one of the key artists to emerge from the current L.A. free improvisation avant-underground; his first vinyl release is a spiritual journey that reveals his deeply reflective and unique musical vision. *Descension* is a sonic meditation on the legacy of a dark history and its echoing relevance in the present era.
