We are sad to learn of the passing of [Jason Noble](#) on Saturday, August 4th, after a three year battle with cancer. Noble was a full time member of

[Rachel's](#)

,
[Shipping News](#)

,
[Young Scamels](#)

, and had his own project,

[Per Mission](#)

. Jason is noted for being part of Rodan, whose only album,

Rusty

, has been incredibly influential to the Louisville, KY and mid-western independent scene of and beyond. I can't say I was friends with Jason Noble but every time I met him, he was a very kind, and gentle man. He will be missed.

[Matmos](#) ' Drew Daniel grew up in Louisville, KY. Rachel's and Matmos have toured together and collaborated on the *Will On Night* EP which features a Matmos piece reconstructed by Rachel's and a Rachel's piece reconstructed by Matmos. Here is a picture stolen from Drew Daniel of Matmos with Jason Noble.
